

Every year, the Southside Riders Association from Griffin, Georgia hosts the “Olivia Andrews Tab Run”, a motorcycle event that benefits our Ronald McDonald House. Bikers from Alabama and Georgia are encouraged to collect their POP TABS all year long to bring to this event. Riders met in Griffin, rode to Warm Springs to pick up other bikers, then with the Georgia State Patrol leading the way, drove on to LaGrange, GA!

This year’s ride ended at Earl Cook Park, on beautiful West Point Lake. Hundreds of bikers arrived and were greeted by RMH Staff & volunteers. Members of ABATE 9-2 helped coordinate and set up the food, drink and bike apparel vendors.

With “hearts of gold,” Southside Riders work hard to put together this ride and it is always an exciting and fun day! Arnie Cobb (Olivia’s uncle) and other family members WEIGH all the bags and barrels of pop tabs that are delivered!

**Total Tabs Delivered: 3,184 lbs.**

Shown: Susan Yaksh, Olivia Andrews, her sister, Ashton, and Beth Mancini

Trophies are presented to the winners in three categories!

Terrific Southern Rock Band – "HIRED GUNS"!

Besides funds collected from recycled pop tabs, the RMH will receive proceeds from registration fees and a 50/50 drawing!

There may have been ONLY 5 of us there, but we waved our American flags furiously as we welcomed the bikers into the park!

Thank you Ashlev Karriker & Beth!
